Kickstart your Marketing with Kim Cable from Markethub

"If you don't know where you are going you will probably end up somewhere else"

Laurence Peters

Marketing is just as important for the community sector as it is for any other type of organisation. Marketing enables you to build awareness of an issue and to gain support from the public for your cause. A marketing plan is a roadmap that outlines how your marketing initiatives are going to reach your target audience and improve the success of your organisation.

This workshop takes you through some of the basics of marketing and how to go about developing a marketing campaign. You will learn how to create a marketing plan with measurable actions. We will also discuss some practical ways to use some of the more common marketing channels more effectively.

This workshop is brought to you by Kim Cable, Director of Markethub, and Communications and Marketing Manager at Community Waikato.

To be held: Wednesday 21/8/19 @ Community Waikato, 33 Victoria Street, Hamilton from
10 am – 1.30 pm

Cost: \$70 or \$140 for non-community organisations
