

## Leadership Learning Programme for Community Organisations with Dr Maureen Marra & InLeadership

### 1. Understanding organisational culture

- How and why people gather in groups
- How culture forms and how to change it
- How groups operate
- What's different about workplace groups and the structure of culture in organisations

### 2. Leadership for 2020 and beyond

- Being accepted as the leader - *Success in the appointment process does not mean that you will immediately become the leader*
- Contemporary leadership practice
- Creating a great place to work
- Values and behaviour

*Power does not reside in a position or in a person  
but in the relationship between people*

### 3. But to become a leader, first you need to know about yourself

- Growing self to grow leadership skills
- Brain and mindfulness
- Inquiry into self

### 4. Lifting engagement and performance

- What gets people engaged and interested in their work? What disengages people?
- The impact of disengagement
- Change made easy

#### Programme outcomes

- Understanding the interconnectedness of leadership, culture, engagement and performance
- Knowing how to be accepted as the leader
- The knowledge to lead the organisation that you want it to be

#### Programme time commitment:

- Four x two hour sessions

#### What others say about this programme...

Thorough, interesting and educational.  
Informative, encouraging & thought provoking.  
Really relevant to my role in middle management.  
Awesome – helps me understand my leadership skills and  
how I could do better
