COMMUNITY WAIKATO TINDALL ANNUAL FUND

Community Waikato are Tindall Regional Funding Managers. The Tindall Foundation has a unique funding model whereby Regional Funding Managers give out a significant portion of their donations on their behalf.

The Tindall Foundation says "Regional Funding Managers are existing organisations that support community and social services across the country who use their considerable expertise and local knowledge to allocate funding. They give out donations on our behalf to local organisations within the Tindall Foundation Supporting Families and Social Services Programme Area".
