Things you need to know for your Tindall application:

Please ensure your application fits Tindall criteria. To find out if your organisation meets the criteria [click here](#)

Applications open early August and close mid September **In order to complete this application you'll need to gather together a range of documents and information.**

Including:

1. Your Charities number (CC????) if you are registered.
2. A copy of your most current bank statements for each account held (no older than one month prior to application).
3. A pre-printed bank deposit slip showing your organisations name.
4. A copy of your most recent Annual Accounts which have been Audited or Independently Reviewed
5. A current statement of Income and Expenditure.
6. A current statement of Financial position
7. You need to be prepared to either type direct or 'cut and paste' answers to questions relating to your organisations purpose and objectives, what services or programmes you provide and the programme or services you are applying for funding towards and a range of information about your finances and budget. The Tindall Foundation wants to know the difference you intend to make in your community with this project, programme or service. You need to be able to articulate this effectively.
